

# Offshore Europe

5 - 8 September 2017, Aberdeen

## *Offshore Europe - the leading European exploration and production event with a global focus*

---

*The Department for International Trade (DIT) will host a UK stand and offer country briefing sessions with DIT overseas commercial officers, specialists and guest speakers from key markets outlining current high value opportunities and providing market overviews.*

### **Why Attend**

DIT is pleased to offer the following opportunities across the four-day event:

- Briefing sessions on Oil & Gas campaigns in key high value markets
- 1-2-1 meetings offering advice on export opportunities and market entry strategies
- Meeting with potential customers from international markets
- Networking on the dedicated DIT stand

### **Who should attend?**

The event is ideally suited to any UK SME and MSB companies in the Oil & Gas supply chain interested in winning international business.

This is a must attend event providing a rare opportunity to connect with all the key global international oil companies and contractors.
